Community Weekly Update for December 1-December 7, 2012

A Love Note from Me to You...

Dear Neighbors,

The Dallas Mavericks will have one home game this week on Saturday December 1st. Please be advised that there could be an increase in general aviation traffic due to this game.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

Want to get involved?

The Love Field Environmental Advisory Council (LFEAC) meets once every quarter. Please join us for round-table discussion and updates!!!

Upcoming LFEAC Meetings:

- January 10, 2013
- April 11, 2013
- July 11, 2013

For more information and updates about the Love Field Modernization Project (LFMP) please visit: http://www.lovefieldmodernizationprogram.com/

Everyday Environmental Tip

Do you have a favorite magazine or a good book that you just can’t put down? Try reading your favorite book or magazine via online subscription or on an electronic reader. You can download several books or magazines and have them all in one convenient place.
Construction Activities

Runway Safety Area (RSA)

In order to meet current FAA requirements, modifications to RWY 13L/31R must be made to have the appropriate amount of safety area (1,000 feet) at the north end of the runway. In order for the Runway Safety Area (RSA) Project to begin construction, it is necessary for construction elements to be completed on Taxiway Bravo to allow the Love Field Modernization Program (LFMP) to remain on schedule.

Portions of Taxiway Bravo are expected to be closed beginning July 1, 2012 through December 31, 2012. Construction on Taxiway Bravo is on schedule for completion in December 2012.

Because both projects can not be done concurrently, construction of the RSA Project will not begin until early 2013. If you would like to learn more about the LFMP please visit:

Water Main Replacement

DWU has contracted with Atkins Brothers Construction to install a 48” water line around Love Field from the Shorecrest Weiss Street intersection to approximately the 8000 block of Lemmon Avenue. Shorecrest is currently closed from Webb Chapel Road to Lemmon Avenue as construction continues. Work continues on the eastbound side of Lemmon Ave from the intersection at Shorecrest to Lovers Lane. All work will be competed in phases.

Runway Closures

Scheduled Runway Closures for Routine Maintenance

Runway 13L/31R (Lemmon) will be closed Friday November 30, 2012 at 10:00pm until 5:00am Saturday December 1, 2012 for airfield maintenance.

Ongoing Airfield Closures

TWY B will be closed for construction from TWY B5 to 500ft NW of TWY B1, through December 2012.

TWYs B3, B4 and M will be closed for construction through December 2012.

TWY B5 from TWY D to TWY B, is currently closed for construction and will remain closed through December 2012.

*Please see the airport diagram on the next page for the locations of runways and taxiways.
## Total Operations for the Week of November 18–November 24, 2012
