Dear Neighbors,

The Dallas Mavericks will have one home game this week on Monday December 10th. Please be advised that there could be an increase in general aviation traffic due to this game.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

Waiting for a loved one to arrive? Meet and greet them at Love Landing!

Photo above shows the Love Landing area under construction. Love Landing is located on the second floor of the main lobby in Terminal 2.

For more information and updates about the Love Field Modernization Project (LFMP) please visit: http://www.lovefieldmodernizationprogram.com/

Everyday Environmental Tip

If you haven’t decorated your Christmas tree for this season, try using LED lights. You will still get the same effect of the sparkle from your tree and you will save energy at the same time.
Construction Activities

Runway Safety Area (RSA)
In order to meet current FAA requirements, modifications to RWY 13L/31R must be made to have the appropriate amount of safety area (1,000 feet) at the north end of the runway. In order for the Runway Safety Area (RSA) Project to begin construction, it is necessary for construction elements to be completed on Taxiway Bravo to allow the Love Field Modernization Program (LFMP) to remain on schedule.

Portions of Taxiway Bravo are expected to be closed beginning July 1, 2012 through December 31, 2012. Construction on Taxiway Bravo is on schedule for completion in December 2012.

Because both projects cannot be done concurrently, construction of the RSA Project will not begin until early 2013. If you would like to learn more about the LFMP please visit:

Water Main Replacement
DWU has contracted with Atkins Brothers Construction to install a 48” water line around Love Field from the Shorecrest Weiss Street intersection to approximately the 8000 block of Lemmon Avenue. Shorecrest is currently closed from Webb Chapel Road to Lemmon Avenue as construction continues. Work continues on the eastbound side of Lemmon Ave from the intersection at Shorecrest to Lovers Lane. All work will be competed in phases. Estimated completion for the project is Spring 2013.

Runway Closures

Scheduled Runway Closures for Routine Maintenance
Runway 13L/31R (Lemmon) will be closed Saturday December 8, 2012 from 7:00am until 12:00pm for airfield maintenance.

Ongoing Airfield Closures
TWY B will be closed for construction from TWY B5 to 500ft NW of TWY B1, through December 2012.

TWYs B3, B4 and M will be closed for construction through December 2012.

TWY B5 from TWY D to TWY B, is currently closed for construction and will remain closed through December 2012.

*Please see the airport diagram on the next page for the locations of runways and taxiways.
