A Love Note from Me to You…

Dear Neighbors,

We want you all to be safe and have a wonderful 4th of July holiday! If you are looking for somewhere to celebrate, please consider visiting the “Fair Park Fourth” event. The event will be Wednesday, July 4, 2012 from 4:30-10pm at Fair Park. Fireworks will begin at 9:30 in the Cotton Bowl.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

The Love Field Modernization Project (LFMP) is steadily underway. For more information and updates about the LFMP please visit: http://www.lovefieldmodernizationprogram.com/

Everyday Environmental Tip

Install a programmable thermostat which will keep your house at the right temperature during the day and night. Programmable thermostats can reduce cooling and heating bills up to 10% because you can control temperatures when you are away from home. Use less energy while you are away and watch the savings build up in your pocket!
Construction Activities

Runway Safety Area (RSA)
In order to meet current FAA requirements, modifications to RWY 13L/31R must be made to have the appropriate amount of safety area (1,000 feet) at the north end of the runway. In order for the Runway Safety Area (RSA) Project to begin construction, it is necessary for construction elements to be completed on Taxiway Bravo to allow the Love Field Modernization Program (LFMP) to remain on schedule.

Portions of Taxiway Bravo are expected to be closed beginning July 1, 2012 through December 31, 2012.

Because both projects can not be done concurrently, construction of the RSA Project will not begin until early 2013.

If you would like to learn more about the LFMP please take a look at http://www.dallas-lovefield.com/pdf/LFMP_Newsletter_0412.pdf

Taxiway D-2
Because of the expanded scope of this project the Taxiway D-2 area will be closed through July 2012. This will continue to impact aircraft movement, limiting access to the Lemmon Avenue Runway for the larger commercial aircraft. This area is demolished and construction is moving on schedule.

Water Main Replacement
DWU has contracted with Atkins Brothers Construction to install a 48” water line around Love Field from the Shorecrest Weiss Street intersection to approximately the 8000 block of Lemmon Ave. This will involve a partial closure of Shorecrest from Weiss to Lemmon (in phases) and then one lane of SE bound Lemmon Ave from Shorecrest to approximately Lovers Lane. All work will be competed in phases. Construction has begun and is still on schedule to be completed by November 2012. As of June 8, 2012, the roadway has been closed to traffic between Weiss and Shorecrest as work on the water line continues.

Runway Closures

Scheduled Runway Closures for Routine Maintenance

Runway 13R/31L (Denton) will be closed Friday June 29, 2012 from 11:00pm until Saturday June 30, 2012 at 8:00pm.

Runway 13L/31R (Lemmon) will be closed Sunday July 1, 2012 from 6:00am until 12:00 noon.

Ongoing Airfield Closures

RWY 18/36 to remain closed but remain available for taxiing.
TWY D from TWY D2 to TWY B, TWY B5 from TWY D to TWY B, TWYs D2 and D3 are to remain closed through July 1, 2012 at 9:00am.
