Dear Neighbors,

There is a chance for thunderstorms in the forecast for this weekend. This could result in later than normal or heavier air traffic due to delays. The Dallas Mavericks will also have two home games this week: Monday November 12th and Wednesday November 14th. Please be advised that there could be an increase in general aviation traffic due to these games.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

- Ms. Courtenay Shorter

Photo of the Moss Lee Love Garden at Dallas Love Field. Dallas Love Field was named in honor of Lieutenant Moss Lee Love by the United States Army on October 19, 1917. The Moss Lee Love Garden is located in Terminal 2 between the new ticketing hall and the security checkpoint.

Everyday Environmental Tip

Cooking for the holidays? Put a lid on your pots while cooking your favorite dishes. You can save up to a quarter of the energy needed for preparing the dish. Pressure cookers and steamers are great tools to use as well!
Construction Activities

Runway Safety Area (RSA)

In order to meet current FAA requirements, modifications to RWY 13L/31R must be made to have the appropriate amount of safety area (1,000 feet) at the north end of the runway. In order for the Runway Safety Area (RSA) Project to begin construction, it is necessary for construction elements to be completed on Taxiway Bravo to allow the Love Field Modernization Program (LFMP) to remain on schedule.

Portions of Taxiway Bravo are expected to be closed beginning July 1, 2012 through December 31, 2012. Construction on Taxiway Bravo is on schedule for completion in December 2012.

Because both projects can not be done concurrently, construction of the RSA Project will not begin until early 2013. If you would like to learn more about the LFMP please visit:

Water Main Replacement

DWU has contracted with Atkins Brothers Construction to install a 48” water line around Love Field from the Shorecrest Weiss Street intersection to approximately the 8000 block of Lemmon Avenue. Shorecrest is currently closed from Webb Chapel Road to Lemmon Avenue as construction continues. Work continues on the eastbound side of Lemmon Ave from the intersection at Shorecrest to Lovers Lane. All work will be competed in phases. Construction is still on schedule to be completed by November 2012.

Runway Closures

Scheduled Runway Closures for Routine Maintenance
Runway 13R/31L (Denton) will be closed Saturday November 10, 2012 from 6:30am until 10:30am for airfield maintenance activities.
Runway 13L/31R (Lemmon) will be closed Sunday November 11, 2012 from 7am until 7pm for FAA activities.

Ongoing Airfield Closures
TWY B will be closed for construction from TWY B5 to 500ft NW of TWY B1, through December 2012.

TWYs B3, B4 and M will be closed for construction through December 2012.

TWY B5 from TWY D to TWY B, is currently closed for construction and will remain closed through December 2012.

*Please see the airport diagram on the next page for the locations of runways and taxiways.
