Dear Neighbors,

I hope that you all will be able to join us at the upcoming LFEAC meeting that will be on **October 11, 2012 at 6pm**. The physical address is 7610 Aviation Place Dallas, Texas 75235 (Department of Aviation Building) and we will be in Conference Room B. I personally look forward to seeing you all there!

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

**Want to get involved?**

The Love Field Environmental Advisory Council (LFEAC) meets once every quarter. Please join us for round-table discussion and updates!!!

**Upcoming LFEAC Meetings:**

- **October 11, 2012**
- **January 10, 2013**
- **April 11, 2013**

---

**Everyday Environmental Tip**

In your everyday activities switch from disposable to reusable products. For instance, instead of buying disposable razors and writing pens switch to forms that can be refilled for additional use.

Construction Activities

Runway Safety Area (RSA)
In order to meet current FAA requirements, modifications to RWY 13L/31R must be made to have the appropriate amount of safety area (1,000 feet) at the north end of the runway. In order for the Runway Safety Area (RSA) Project to begin construction, it is necessary for construction elements to be completed on Taxiway Bravo to allow the Love Field Modernization Program (LFMP) to remain on schedule.

Ports of Taxiway Bravo are expected to be closed beginning July 1, 2012 through December 31, 2012. Construction on Taxiway Bravo is on schedule for completion in December 2012.

Because both projects can not be done concurrently, construction of the RSA Project will not begin until early 2013. If you would like to learn more about the LFMP please visit:

Water Main Replacement
DWU has contracted with Atkins Brothers Construction to install a 48” water line around Love Field from the Shorecrest Weiss Street intersection to approximately the 8000 block of Lemmon Ave. All work will be competed in phases. Construction has begun and is still on schedule to be completed by November 2012. Shorecrest is closed to traffic between Denton Rd. and Lemmon Ave. as work on the water line continues.

Runway Closures

Scheduled Runway Closures for Routine Maintenance
RWY 13L/31R (Lemmon) will be closed Wednesday October 10, 2012 at 10:00 p.m. until Thursday October 11, 2012 at 5:00 a.m. for airfield maintenance.

RWY 13L/31R (Lemmon) will be closed Thursday October 11, 2012 at 10:00 p.m. until Friday October 12, 2012 at 5:00 a.m. for airfield maintenance.

Ongoing Airfield Closures
TWY B will be closed for construction from TWY B5 to 500ft NW of TWY B1, through December 2012.

TWYs B3, B4 and M will be closed for construction through December 2012.

TWY B5 from TWY D to TWY B, is currently closed for construction and will remain closed through December 2012.

*Please see the airport diagram on the next page for the locations of runways and taxiways.
