A Love Note from Me to You...

Dear Neighbors,

There will be a closure of the Preferential Runway 13R/31L (Denton) on Friday September 21st at 10:00 p.m. and lasting until Saturday September 22nd at 4:00 a.m. for maintenance.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

Everyday Environmental Tip

Use a cloth towel instead of paper towels to wipe and clean surfaces. Cloth towels can be cleaned and reused many times. By saving the use of paper goods, you will reduce your environmental impact and save a little money in the process.
Construction Activities

Runway Safety Area (RSA)
In order to meet current FAA requirements, modifications to RWY 13L/31R must be made to have the appropriate amount of safety area (1,000 feet) at the north end of the runway. In order for the Runway Safety Area (RSA) Project to begin construction, it is necessary for construction elements to be completed on Taxiway Bravo to allow the Love Field Modernization Program (LFMP) to remain on schedule.

Portions of Taxiway Bravo are expected to be closed beginning July 1, 2012 through December 31, 2012. Construction on Taxiway Bravo is on schedule for completion in December 2012.

Because both projects cannot be done concurrently, construction of the RSA Project will not begin until early 2013. If you would like to learn more about the LFMP please visit:

Water Main Replacement
DWU has contracted with Atkins Brothers Construction to install a 48” water line around Love Field from the Shorecrest Weiss Street intersection to approximately the 8000 block of Lemmon Ave. All work will be competed in phases. Construction has begun and is still on schedule to be completed by November 2012. Shorecrest is closed to traffic between Denton Rd. and Lemmon Ave. as work on the water line continues.

Runway Closures

Scheduled Runway Closures for Routine Maintenance
RWY 13R/31L (Denton) will be closed Friday September 21, 2012 at 10:00 p.m. until Saturday September 22, 2012 at 4:00 a.m. for necessary maintenance.

Ongoing Airfield Closures
TWY B will be closed for construction from TWY B5 to 500ft NW of TWY B1, through December 2012.

TWYs B3, B4 and M will be closed for construction through December 2012.

TWY B5 from TWY D to TWY B, is currently closed for construction and will remain closed through December 2012.

*Please see the airport diagram on the next page for the locations of runways and taxiways.
