A Love Note from Me to You...

Dear Neighbors,

The nighttime preferential runway 13R/31L (Denton) will be closed tonight, Friday July 27, 2013 during the hours of the voluntary noise program for routine airfield maintenance. Please see the “Runway Closures” section on page 2 for more details.

There is a chance of thunderstorms in the forecast today. Please be advised that this could cause later than normal traffic due to delays or diversions.

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.
