

Acknowledgment Form – No Prohibited Items

This form must be completed only if your store does not have prohibited items that are listed on the Transportation Security Administration's prohibited items list.

As an authorized representative of _____, I acknowledge and confirm that our store does not display, offer for sale, use, or carry in our inventory, any items on the Transportation Security Administration (TSA) Prohibited Items List. As a result, our store is exempt from completing a DAL Prohibited Items Inventory Control Log (AVI-FRM-612).

I understand that prior to introducing the prohibited items to our operations, we must specify an operational need for each item (Prohibited Items Proposal Form AVI-FRM-611), meet all requirements of controlling these prohibited items (Control of Prohibited Items Acknowledgment Form AVI-FRM-006.SEC & Concessions Binder Acknowledgment Form AVI-FRM-004.SEC), complete the Prohibited Items Proposal Form (AVI-FRM-611), and must be granted formal approval from the Dallas Love Field Security Office.
